CATCH THE VOLUNTEER SPIRIT !

May 19 to 27, 2012 Regina plays host to the Canadian Gymnastics Championships! The Championships will feature four gymnastic disciplines together in one venue: Rhythmic Gymnastics, Trampoline and Tumbling, Men's Artistic and Women's Artistic Gymnastics.

Over 800 volunteers are needed to make this event a success. Volunteers are required for various shifts from early morning until late in the evening during the week. As well, volunteers will be required for set up and take down of the event site prior to and after competition.

Volunteers are needed for the following: technical assistance during the competition, ticket sales, food services, security, transportation, results tabulation, logistics, equipment moving and accreditation. There are many opportunities to be involved!

We would welcome individuals, as well as service clubs, schools, churches and other recognized volunteer groups who would like to volunteer as a group for a particular support function.

If you or your group would like to volunteer and you are age 12 years and over, we have a job for you. Simply go online to www.gymnastics2012.ca, or call Gymnastics Saskatchewan at 306-780-9229 to register.

“Dare To Soar” and become a volunteer for this exciting gymnastic event!
